

STATE SENATOR **Mike Brubaker**

36TH SENATORIAL DISTRICT

Welcome Message from Senator Brubaker

Since I was elected in November, I have had the opportunity to speak with many of the residents of Lancaster and Chester Counties about how the General Assembly can improve the quality of life in our communities. It is a great honor to represent you, and I am looking forward to working with community members and my colleagues in the Legislature to promote our rural communities and create a positive change in state government.

I am ready to assist you with any problems you may have on government issues. Your input on the critical issues facing Pennsylvania is extremely important to me, and I would encourage you to contact me with any questions and concerns you may have.

Sincerely,
Mike Brubaker
Mike

Senator Brubaker In The Community

As your state Senator, I want to keep you informed about the activities of the General Assembly and the issues that are important to our area.

In January, I began a weekly column that appears in several area newspapers to keep constituents informed about the issues we are tackling in Harrisburg, state programs that are available, and special happenings in the 36th District. You can read my column in the Ephrata Review, Columbia Ledger, Donegal Ledger, Shopping News and Parkesburg Post Ledger.

I will also be hosting a monthly TV show that will focus on the important industries and issues in our district. These informative and

entertaining shows will highlight a number of the businesses and district residents who are working to make our communities stronger and more vibrant, as well as the latest state government news. The shows will air on Comcast and Blue Ridge Cable, and are also available on my web site. Check back to see when they will air in your area.

Keep Up-To-Date With State, Local Issues

To make state government news easier to access, I am offering email updates on important state government legislation for district residents who sign up on my web site.

These updates offer a quick, easy way for individuals to get the latest news on the significant issues in state government. These updates will include information on legislation as well as

on the issues that affect our Commonwealth most.

All updates will consist only of legislative information, and your email address will not be shared with any individual outside of Senate staff.
