End Hunger & Food Insecurity in PA

$3.2 billion of Pennsylvania's investments in health care, education, & economic development is lost due to effects of hunger & food insecurity.

The Situation:

- **1,400,000** Pennsylvanians do not have access to adequate food.
- **423,000** Pennsylvanians are hungry.
- 2008 brought an additional 5 to 6 percent increase in food cost.

"We've never seen the need grow like this before," said Michael Hanley, United Neighborhood Centers of NE PA. In the first 6-months of this year, the center saw an increase of 77% in people seeking food assistance, from the first 6-months of 2007. Scranton Times Tribune – Sunday, October 5, 2008.
